

This four-day, unit standard aligned, and accredited programme aims to provide delegates with the competencies required to develop quality training material, as well as deliver and facilitate effectively and confidently.

Delegates will gain an understanding of the skills development landscape, including the pieces of legislation that govern the training and development space. In addition, delegates will travel through the entire material development journey from developing learning outcomes to understanding assessment and moderation criteria.

This course is suitable for any person who is required to train and facilitate training, as well as those who assist in putting together training material and content.

***The cost of the programme is R 9 500 per person. Join us on the 19<sup>th</sup> -23<sup>rd</sup> August 2019. Booking closes 8 August 2019***
